LICENSE TRAINING BNSP (BADAN NASIONAL SERTIFIKASI PROFESI)

Apakah bidang keahlian/kompetensi Anda ingin diakui secara Nasional dan Internasional?

Tahukah Anda bahwa pasar kerja nasional dan internasional menuntut tersedianya tenaga kerja yang kompeten di setiap bidang, banyak industri dan organisasi mempersyaratkan agar tenaga kerjanya memiliki sertifikasi kompetensi yang kredibel. Di berbagai negara, pemerintahnya ada juga yang menghendaki bahwa tenaga kerja yang ingin bekerja harus memiliki sertifikasi kompetensi yang diterbitkan oleh lembaga otoritas yang diakui sah. Dengan memiliki sertifikasi kompetensi dari BNSP maka seseorang akan mendapatkan bukti pengakuan tertulis atas kompetensi yang diakuinya.

BNSP merupakan badan independen yang bertanggung jawab kepada Presiden yang memiliki kewenangan sebagai otoritas sertifikasi personil dan bertugas melaksanakan sertifikasi kompetensi profesi bagi tenaga kerja.

Melihat tantangan tersebut, maka PT Centra Gama Indovisi bekerja sama dengan BNSP menawarkan berbagai training dan sertifikasi berbasis BNSP.
